Fostering a Culture of Privacy Awareness in the Workplace

Tuesday, January 23, 2018
11 A.M. – 1 P.M. EST

The mission of VA Privacy Service is to preserve and protect the Personally Identifiable Information of Veterans and their beneficiaries and VA employees by promoting a culture of privacy awareness and maintaining the trust of those we serve.

Join VA Privacy Service and leading privacy experts on January 23 for an interactive discussion about emerging privacy trends, electronic health record security, identity protection and more.

Attend the Privacy in Action Speaker Series event in person in the G.V. “Sonny” Montgomery Veterans Auditorium, Room 230, at 810 Vermont Ave. in Washington, D.C., or join online using Lync. VA employees are eligible to receive two Continuing Privacy Education credits from the International Association of Privacy Professionals and a Talent Management System certification. If requested, an American Sign Language interpreter will be available to attend.
