The Mission

The mission of VA Privacy Service is to preserve and protect the Personally Identifiable Information of Veterans and their beneficiaries and VA employees by promoting a culture of privacy awareness and maintaining the trust of those we serve.

A VA Privacy Service Webinar

Join VA Privacy Service for an exciting online Lunch & Learn, Understanding FISMA and FedRAMP. Chris Ballister, Director, Risk Advisory Services, Information Assurance & Cybersecurity for Grant Thornton LLP, will provide a discussion on the Federal Information Security Modernization Act (FISMA) and FedRAMP, including the intersections of security and privacy concepts. We will dive into working definitions of standard security terms and develop a common understanding of cybersecurity, as well as explore the holistic privacy and security environment.

Following the presentation, audience questions will be addressed.
