Series

**Ensuring
data privacy
is a team effort!**

Join the Department of Veterans Affairs (VA) Privacy Service on Tuesday, August 25th from 1:00 p.m. - 2:00 p.m. EDT for a behind-the-scenes look at key VA Privacy initiatives, from the importance of Social Security number reduction and how the Controlled Unclassified Information program is standardizing how federal agencies manage sensitive information to the important role you play in Data Loss Prevention. Our presenters will dive into VA's ongoing efforts to enhance the privacy and security of Veterans, their beneficiaries and VA employees and explore how to implement and sustain system compliance measures as well as their impact on data privacy.

Tuesday, August 25
1:00 - 2:00 p.m. EDT
